Dear Mr. MacKay:

This is further to your request under the *Access to Information Act* for:

“A list of individuals and/or groups who were consulted in the “First Nations Financial Transparency Act” (referred to in a Public Opinion Research Individual Plan, dated May 26, 2016, when INAC stated that it will “hold in-person cross-country engagement sessions with First Nations and other interested parties on the First Nations Financial Transparency Act”). Provide any documents produced based on this consultation, including, but not limited to: reports, memos, briefing notes, media lines, summaries, Q&As, PowerPoint presentations, etc.”

Upon clarification received from consultations with subject matter experts, it has come to light that the consultations mentioned in the request have not yet occurred. Therefore no list of individuals and/or groups involved in the future consultation, as well as any associated documents based on the consultation, exist.

Please be advised that you are entitled to submit a complaint to the Information Commissioner of Canada concerning the processing of your request within 60 days of the receipt of this letter. In the event that you decide to avail yourself of this right, your notice of complaint should be addressed to: 30 Victoria Street, Gatineau, Québec, K1A 1H3.
