**TO:** Recipients of WRHA Statement of Public Sector Compensation Disclosure

**FROM:** Landis Esposito, Chief Privacy Officer

**RE:** WRHA Statement of Public Sector Compensation Disclosure for 2011

---

Attached is a copy of the audited Statement of Public Sector Compensation Disclosure of the Winnipeg Regional Health Authority for the calendar year ending December 31, 2011.

This report only includes the salaries for individuals employed by the facilities and services directly owned and operated by the WRHA. Therefore, the only hospitals included are the Health Sciences Centre, Grace Hospital and Deer Lodge Centre. Other facilities and services included in the WRHA report are: Pan Am Clinic, Manitoba eHealth, Community Area Services and River Park Gardens.

As St. Boniface General Hospital, Riverview Health Centre, Misericordia Health Centre, Seven Oaks General Hospital, Concordia Hospital, and Victoria General Hospital are separate legal entities, they are not included in the WRHA report. They would have their own reports.

No free standing personal care homes are included other than River Park Gardens. This report also excludes St. Amant Centre and other community health agencies governed under separate boards.

Fee for service payments to physicians are paid through Manitoba Health and are not included in the WRHA report.
