Dear Mr. Craig:

Re: Access to Information Request SPC53/14G

Your Access to Information Request was received in our office on September 25, 2014 requesting the following information:

“Please provide a copy of plans for the penthouse area of the SaskPower head office refurbishment”.

This is to advise you that the record you have requested cannot be released. This information cannot be released because these documents contain advice to or from officials. Information of this nature is exempt from access according to Subsections 17(1)(a) and 17(1)(g) of *The Freedom of Information and Protection of Privacy Act*.

“17(1) Subject to subsection (2), a head may refuse to give access to a record that could reasonably be expected to disclose:

(a) advice, proposals, recommendations, analyses or policy options developed by or for a government institution or a member of the Executive Council;

...

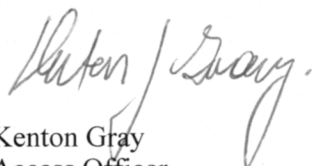

(g) information, including the proposed plans, policies or projects of a government institution, the disclosure of which could reasonably be expected to result in disclosure of a pending policy or budgetary decision.”

For your information, the word “penthouse” is an industry term referring to whatever structure may be located within the outer perimeter on the roof of a building. References to a “penthouse” in records previously provided to the applicant in respect of the head office refurbishment were, therefore, a reference to the structure on the roof of the head office building which encloses mechanical systems, a control room for the building’s systems, and a washroom. There are no plans to change the use of the “penthouse” from its current use.
