Dear Mr. Craig:

Re: Access to Information Request SPC56/14G

Your Access to Information Request was received in our office on September 25, 2014 requested the following information:

“Please provide documentation on the proposed rooftop patio at SaskPower’s Regina head office.”

This is to advise you that the record you have requested cannot be released. This information cannot be released because these documents contain advice to or from officials. Information of this nature is exempt from access according to Subsections 17(1)(a) and 17(1)(g) of *The Freedom of Information and Protection of Privacy Act*.

“17(1) Subject to subsection (2), a head may refuse to give access to a record that could reasonably be expected to disclose:

(a) advice, proposals, recommendations, analyses or policy options developed by or for a government institution or a member of the Executive Council;

...

(g) information, including the proposed plans, policies or projects of a government institution, the disclosure of which could reasonably be expected to result in disclosure of a pending policy or budgetary decision.”

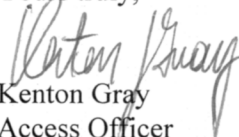

While access to records relating to the rooftop patio at SaskPower’s head office has been denied, SaskPower notes that an open rooftop patio has existed at the head office since the head office originally opened.
