**6-panel folding screen:**

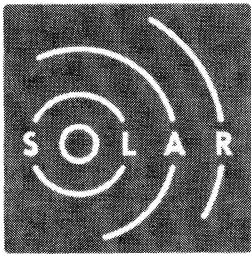

- Each 2'x7' section has a black-stained hardwood frame around a veneered panel
- Front sides feature pattern of wood tiles (in 2 or 3 tones of Canadian wood) with black resin outlines. Pattern is not identical on all 6 panels
- Panels detach easily for storage or reconfiguration
- Screen can be assembled in many ways: using anywhere from 2 to 6 panels and with angles of up to 90° between panels

Configured as per existing screen.  
Four panels flat across front with two wings.

Panels have plain walnut veneer on back side.
