AB: Balance the Budget

To Alberta Premier Rachel Notley:

Your plan to more than triple the provincial debt in just four years is unacceptable.

Numerous studies have shown that the Alberta government spends significantly more than the government of British Columbia. Merely bringing Alberta's spending levels down to the same per capita level as B.C. would put Alberta in a surplus position.

We the undersigned call on the Alberta government to reduce spending to British Columbia levels and balance Alberta's budget by 2021-22.
