

# Petition: Cut Calgary Spending & Property Taxes

Calgarians are paying higher taxes because city council keeps spending more.

From the mayor's two pensions and the city's good-bye bonuses, to the \$100-million corporate welfare fund and rising labour costs, there's lots for council to cut.

Calgarians have tightened their belts. Now it's your turn. Instead of increasing spending and jacking up taxes, city council needs to cut spending and cut taxes.

**We the undersigned call on Calgary's mayor and city councillors to cut spending and lower property taxes.**
