Dear Mr. Colin:

RE: A-17-099 – (Aging Population) – Notice of Decision

This letter is in regard to your access request made under the Freedom of Information and Protection of Privacy Act (the Act). Your request and \$5 application fee were received in our office on June 23, 2017.

You are requesting:

Please provide documentation on any reports or analysis on demographic shifts (aging population) in Ontario occurring in the future and how that relates to future revenues, expenditures and debt levels.

I'm looking for analysis that is similar to the federal governments' Fiscal Sustainability Reports that identify long-term revenue, expenses and debt levels as well as any fiscal gaps (see FOI G-15-0097-02)

A search for responsive records was conducted by knowledgeable staff in the Office of Economic Policy of the Ministry of Finance. Records responsive to your request were not located. Access cannot be provided, as records do not exist.

If you disagree with this decision, you may, within 30 days, request a review by contacting the Information and Privacy Commissioner located at 2 Bloor Street East, Suite 1400, Toronto ON M4W 1A8, phone number 416-326-3333 or toll free 1-800-387-0073.

You may be interested to know that the Ministry of Finance produces projection and publishes a long-term report on the economy. You may view these reports at the links provided below:
