Dear Mr. Craig:

Re: *Freedom of Information and Protection of Privacy Act* (the “Act”)

Your request for access to records under the Act was received by the Department of Finance on June 20, 2017. Your request is as follows:

Please provide documentation on any reports or analysis on demographic shifts (aging population) in Prince Edward Island occurring in the future and how that relates to future revenues, expenditures and debt levels. I'm looking for analysis that is similar to the federal government's Fiscal Sustainability Reports that forecast long-term revenues, expenses and fiscal gaps. The time period for documentation being sought is June 1, 2015 to present (This is an update to FOI FIN 2015-30) June 1, 2015 to June 15, 2017

Please be advised that we have reviewed our records and determined that the Department of Finance has no records responsive to your request. We do produce and publish demographic projections that are available at: <https://www.princeedwardisland.ca/en/publication/prince-edward-island-population-projections-2017-2056>

Pursuant to section 60 of the Act, you may make a written request to the Information and Privacy Commissioner to review this matter. You have 60 days from the date of this notice to request a review by writing to:
