

A-2023-00144

Total Cash Compensation* (7 employees) \$3,793,000

Refer to this [link](#) on the Corporation's website for further information about the 2023 Senior Management Compensation Summary.

Data as at December 31, 2023

* This compensation includes base salary, applicable at-risk incentive pay for fiscal 2022-2023 and other taxable benefits paid in calendar year 2023.

No at risk incentive pay has been awarded for work performed in fiscal 2023-24. Performance is evaluated against key indicators following the close of the fiscal year (March 31), and decisions about award payments are made in June.

Note: The CEO's compensation, including incentive pay, is determined by the Government. Refer to the [website](#) for more information.
