[REDACTED]

This is further to your request under the *Access to Information Act* dated March 8, 2022 requesting the following:

“Provide documentation on the number of employees who have received pay increases since the beginning of 2020, including step pay increases, but do not include pay raises due to promotions to new positions. Provide the annual breakdown for 2020 and 2021, including annual costs for these pay increases. Please also provide the number of employees who received pay cuts during the same time period, as well as corresponding amounts – but excluding those employees who leave their positions. Search through electronic records only, unless relevant records do not exist in that format. Include documents in which cabinet material can be severed, however exclude documents marked cabinet confidences in their entirety. Remove French versions if English exists. Final version of documents or last draft if final version is not available.”

As requested, you will find enclosed copies of the records held at CMHC, which fit the description of your request.

Please be advised that you have the right to make a complaint within sixty days of receipt of this notice to the Office of the Information Commissioner, 30 Victoria St, Gatineau, Québec K1A 1H3.
