

## Dinning campaign releases donor list

As promised during the 2006 PC leadership campaign, the list of donors to Jim Dinning's campaign is now available on this website.

The list includes more than 1500 names, 91% of which contributed under \$5,000. The maximum allowable donation was \$30,000.

The list contains the names of all those who contributed to the campaign either in cash or in-kind. No anonymous donations were accepted.

"On behalf of the Jim Dinning campaign, I would like to extend our sincere thanks to the thousands of people who contributed to our campaign. We're proud of the fact that so many people got involved and were willing to support Jim," said Brent Shervey, campaign chair.

Media questions should be directed to Brent Shervey at (403) 620-3994.
