

**To Prime Minister Justin Trudeau:**

Your government has given Omar Khadr a reported \$10.5 million compensation package paid for by Canadian taxpayers.

This is offensive to many Canadians.

Mr. Khadr admitted to killing an American soldier while fighting with al-Qaeda in Afghanistan in 2002.

Canadians should not be forced to pay millions of dollars to a killer.

**We the undersigned oppose the Government of Canada giving this compensation package to Omar Khadr.**
