Stand Up. Be Heard!

The Canadian Taxpayers Federation (CTF) is a non-partisan, non-profit advocacy organization committed to lower taxes, less waste and more government accountability. We have 74,000 supporters nation-wide, with 16,000 of them here in Alberta.

During elections, we regularly provide information to our supporters as to where various candidates stand on issues important to them.

As such we have prepared a five question survey for you to complete. Your response will be released publicly on our website: [www.taxpayer.com](http://www.taxpayer.com) as well as sent directly to our supporters in Edmonton.

**Please complete the following survey and fax it back to 1-877-482-1744 or e-mail it to shennig@taxpayer.com by Tuesday, October 5th.**

1. Do you support limiting annual property tax bill increases to Edmonton's inflation rate?  
Yes                      No                      Undecided
2. Do you support spending city tax dollars on bidding for and hosting Expo 2017?  
Yes                      No                      Undecided pending additional information of total commitments by all levels of government and final planning, if asked to decide today...it would be no based on current information.
3. Do you support using municipal tax dollars (either through a transparent grant or loan or through the Community Revitalization Levy (CRL) scheme) to fund all or a portion of the construction of a new NHL arena/entertainment facility?  
Yes                      No                      Undecided, pending a finalized business arrangement and commitment. A shared risk shared benefit deal structured to the city's advantage would move me to a yes. Lack of same would move me to a no.
4. Have you accepted or will you be accepting campaign contributions (financial or in-kind) from Daryl Katz, the Katz Group, any of the Katz Group of Companies (including but not limited to Rexall, The Edmonton Oilers, Edmonton Oil Kings, etc.) or any employee of, or person related to, Daryl Katz or his companies?  
Yes                      No                      Undecided
5. Will you pro-actively disclose publicly a list of who contributed to your campaign and in what amount prior to the October 18 vote?  
Yes                      No                      Undecided My campaign is deliberately self funded.
6. Do you believe a plebiscite/referendum should be held prior to city council approving a significant portion of tax dollars be used to fund the construction of a new NHL arena/entertainment facility?  
Yes                      No                      Undecided depends on level of financial commitment and results of public consultations as well as the actual deal itself.
