

The Canadian Taxpayers Federation (CTF) is a non-partisan, non-profit advocacy organization committed to lower taxes, less waste and more government accountability. We have 74,000 supporters nation-wide, with 16,000 of them here in Alberta.

During elections, we regularly provide information to our supporters as to where various candidates stand on issues important to them.

As such we have prepared a five question survey for you to complete. Your response will be released publicly on our website: www.taxpayer.com as well as sent directly to our supporters in Edmonton.
