

## Winnipeg Election Candidates Survey 2014

Below are six survey questions the Canadian Taxpayers Federation is issuing to all candidates participating in the 2014 municipal election in Winnipeg. Please provide your responses by **September 26**. Results will be posted at Taxpayer.com and distributed to our supporters.

CANDIDATE NAME: Stefan Jonasson

SIGNATURE: Stefan Jonasson

1) Council members are currently required to disclose their ownership in businesses and property within Winnipeg. Would you support expanding disclosure for council members to include ownership of all businesses or property worldwide? (Circle one answer, space is available if you have any additional comments)

☒ YES ☐ NO      Comment: I support the full disclosure of worldwide assets with the exception of RRSPs.

2) Would you support the creation of an informal freedom of information council committee to hear appeals from the public when the administration has refused to release city records?

☒ YES ☐ NO      Comment: I support any initiative that promotes transparency and honesty at city hall.

3) Property taxes have been increasing faster than inflation and wage growth. Would you table or support a bylaw capping property tax increases at inflation?

YES ☒ NO      Comment: The premise of this question is doubtful.

4) Roads have been neglected as millions have been spent on nice to have projects (eg. stadium, new museum, etc.) Would you support a four-year freeze on new spending for non-essential projects (eg. art gallery expansion) so that road repair becomes a priority?

YES ☒ NO      Comment: I disagree with the assertion that the cultural life of our city is non-essential!

5) The city has been raising taxes while putting more money into its pension plans; which allow for city staff to retire in their early 50s. Meanwhile most taxpayers don't have a workplace pension. To be fair to taxpayers, would you start putting new employees in a less costly plan?

YES ☒ NO      Comment: I support the collective bargaining process and I believe that <sup>any</sup> changes should be made through that process.

6) Do you support using managed competition (having both public and private sector employees bid for existing services) and gainsharing (sharing savings with employees that bring forward cost saving ideas) to reduce costs?

Managed competition  
Gainsharing

YES ☒ NO  
YES ☒ NO

Comment: ① "Managed competition" sounds like a euphemism to justify an ideological agenda of privatization. ② I expect public employees to be well compensated and to bring
