

Scrap per-vote party subsidies

To the Premier of Ontario:

Before you were elected, you promised to stop giving taxpayer dollars to political parties. Now you've decided not only to keep giving our money to political parties, but also to give them even more.

Political welfare is wrong. Our hard-earned tax dollars belong in our pockets, not in the hands of party bosses.

We, the undersigned, call on the Ontario government to scrap per-vote party subsidies.
