Dear Mr. Flaherty. P.C., M.P.

I wish to obtain the Bill you have interduced in the House of Commons in regards to have the PENSIONS of inmates who received as mysel Old age security and guaranteed income supplements.

It should be brought to your attention, That I still pay TAXS and file the FEDERAL TAXS and The Québec Income Tax Return. I also pay both Federal taxes and Québec Taxs Provical taxes. I also pay room and board every months which is taken from my Old Age security and guaranteed income supplement cheque.

I look forward to a court case I will be bring if the Bill you want to remove my Old age Pension I have paid into.

Yours truly,

Clifford Robert Olson
