Mr. Jordan Bateman BC Director Canadian Taxpayers Federation Langley, BC

Dear Mr. Bateman:

Re: Freedom of Information and Protection of Privacy Act (the "Act")
Request for Records – FOI-2014-04-15

The university is responding to your request dated April 1, 2014 for the following records:

1. Any contracts or money, other than what has been reported on the provincially-mandated executive salary disclosure forms, paid to the president by the school in the past three years.

via email: ibateman@taxpayer.com

There are no responsive records pertaining to the above portion of your request.

2. Line item expenses (or monthly expense forms) incurred by the president in the fiscal years 2012-13 and 2013-14. Please find enclosed the lists for the corresponding fiscal years covering Dr. David Turpin (president 2012-2013) and Professor James Cassels (2013-2014) prepared in accordance with the Financial Information Act (FIA). Professor Cassels' term as president started on July 1, 2013.

I have severed portions of the FIA reports that contain information that is exempted from disclosure under sections 17(1)(b) [disclosure harmful to financial interests of a public body] and 22(1) [disclosure harmful to personal privacy]. The information severed under s. 17(1)(b) consists of cheque numbers and invoice numbers. Information severed under s. 22(1) consists of employee numbers. In addition, information that does not respond to your request has been removed as out of scope (OOS). This information includes expenses incurred for the period of the fiscal year when Dr. Turpin or Professor Cassels was not president. There is also an expense incurred during the period of the year when Professor Cassels was president and was due to his role as a faculty member and not as president. It has been noted on the records where I have relied on section 17(1)(b) or out of scope to sever the information. The pages have been numbered 0001 to 0008.

There are two items that are included in the FIA report for Dr. Turpin that are not reimbursements. The payments were processed through the president's office and paid directly to the agency. These are corporate memberships, paid on behalf of the university and are not exclusive memberships for the president. These are noted as Union Club and the Association of Governing Boards (AGB) memberships.

In one circumstance there is an amount that appears as travel on the FIA report for Dr. Turpin but does not appear on the travel expense report. The item, dated "03-Jan-13", on page 0004 was paid by another agency and therefore was at no cost to the university.

Courier Address: Administrative Services Bldg, Rm A138, University of Victoria, 3800 Finnerty Road (Ring Road), Victoria, BC V8P 5C2

3. For expenses involving travel, copies of the hotel, airfare, transportation and food receipts for trips in the fiscal years 2012-13 and 2013-14.

As per my email dated July 3, 2014 and your reply dated July 7, 2014, we are providing a summary listing of these expenses rather than copies of the individual receipts. If you would like to request any of the receipts, please contact us.

Spousal travel is included in the travel expense reports and is indicated in the column entitled "Airfare spousal". The amount is included in the column "Airfare".

Under section 52 of the Act, you have the right to ask the Information and Privacy Commissioner for a review of the university's response. You must submit your request in writing within **30 business days** upon receipt of this letter to the following address:

Office of the Information and Privacy Commissioner (OIPC) PO Box 9038, Stn. Prov. Govt. Victoria BC V8W 9A4

Tel:

Fax:

In your request for a review, please provide the OIPC with the following information:

- 2. The university file number assigned to your request: FOI-2014-04-15;
- 3. A copy of your original request for information delivered to UVIc;
