

2004 COMPENSATION DISCLOSURE

AUDITORS' REPORT

To the Mayor and Members of City Council
The City of Winnipeg

We have audited **The City of Winnipeg** compensation disclosure [as defined under The Public Sector Compensation Disclosure Act] for the year ended December 31, 2004. This financial information is the responsibility of the City's management. Our responsibility is to express an opinion on this financial information based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial information. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial information.

In our opinion, this report presents fairly, in all material respects, the compensation of **The City of Winnipeg** for the year ended December 31, 2004 in accordance with, and as required by, The Public Sector Compensation Disclosure Act.

2004 CITY OF WINNIPEG COMPENSATION DISCLOSURE

THE City of Winnipeg has prepared this document as required under the provincial Public Sector Compensation Disclosure Act. This Act stipulates that every year, all Manitoba municipalities must publish a complete list of all employees and members of the governing body who received compensation of \$50,000 or more in the previous fiscal year.

In 2004, the City of Winnipeg issued 10,479 T-4 slips to full-time, part-time, temporary, seasonal and casual workers. The number of people employed by the City at any time ranged from 8,165 to 9,552. Of these, 3,486 employees are listed in this document, including fourteen members of Council.

Together, the positions represented in this list provide managerial, technical and professional support to the full range of municipal services provided to citizens. The variety of positions includes senior managers, emergency responders (police, fire fighters, paramedics), engineers, architects, chemists, technologists, planners, accountants, medical professionals, lawyers, surveyors, assessors, information technology professionals, librarians, research and policy analysts as well as many others.

City employees are listed alphabetically by department. ***The figure assigned to each position includes salary and taxable benefits such as car allowance, as well as any retirement allowance, back pay or severance pay.*** The amounts do not include payments made or benefits accrued in relation to pension plans. The figure assigned to each member of Council includes salary (taxable and non-taxable) and taxable benefits.

This document is available to citizens for reference or purchase at the City Clerk's Office, 510 Main Street, 986-2171, and for reference in all public libraries.
